VTT Receives Grant from GREATER ROCHESTER ENTERPRISE

Economic Gardening Greenhouse Program

PALMYRA, NEW YORK, December 7 -V Technical Textiles, the world leader of RF Shielding and EMI Enclosure fabrication, has been awarded a grant from the Greater Rochester Enterprise's Economic Gardening Program for 2018-2019. This program supports the growth of second-stage businesses by providing free access to in-depth sales and marketing research via a strategic research team. This research helps the company identify more qualified sales leads and tap into growing markets. These experts also help improve online marketing efforts with search engine optimization (SEO) and website analysis. The information received from this analysis helps plant the seeds for future growth and the development of a diverse product line to suit the needs of our customers now and in the future!

Located in Palmyra, New York, V Technical Textiles, Inc. is the leading manufacturer of RF Shielding and EMI enclosures and tents. Our benefit is our flexibility; with our metallized fabric enclosures being lightweight, portable, custom made, and providing unparalleled shielding performance.
